THE ANGELICAN

Volume XXXIV

CLASS OF 1978

OUR LADY OF THE ANGELS ACADEMY

1335 Enfield Street, Enfield, Connecticut 06082

To the PAST ...

Our childhood memories, loving parents, growing pains, caring teachers, lessons learned, new awakenings, and dreams.

To the PRESENT ...

Homework, college acceptance, proms, Friday and Saturday nights, realization of true friends, graduation, and moving closer to making those dreams come true.

To the FUTURE ...

College, a rewarding career, finding ourselves, seeing the world become a better place, marriage, family, and fulfilling those dreams.

We owe the generations to come
a world less brutal, less hurtful,
more just, more human.
We owe them a world in which God
will be more than a word we use
without feeling, but a fact
we feel in our hearts.

Class Will

"It is a maxim of the wise to leave things before things leave them." —
Baltasar Gracián

With this as our main purpose, we, the class of 1978, do hereby declare this to be our first and last will and testament to Our Lady of the Angels Academy —

To the Teachers —

who have served us (and we them) for the past four years, we leave the last remains of their sanity and hopefully a little peace and quiet!

To Present Students —

approximately 5 flights of stairs (not counting outside or at Longview), which includes approximately 100 steps, which you'll use approximately 7 times a day, which you'll use approximately 4 years, which will kill you at approximately 17 years of age, for which you'll get approx. 4 demerits for littering the stairwells, which gets you approx. 1 1/3 detentions (approx. 100 minutes of your time) which will approx. get you in trouble with your parents, who'll ground you for approx. 2 weeks but you won't care because you're already dead (approx.) from all those stairs!

To Future Students —

we leave you the open schedule so you can choose to go where you want to when you would like to, but make sure you spend 1/2 hr. in religion, 1 hr. in math, 1 hr. in gym, 1 hr. in history, 1 hr. in the media center, 1 hr. in typing, then you get 25 minutes for lunch (no crumbs please), 1 hr. in science, 1 hr. in art, 1 hr. in English, and possibly 1 hr. for detention, which is approx. 10 hrs. squeezed into your average 6 hr. day! Enjoy.

MEMORIES

Freshmen Year

ADOPTION DAY-OCTOBER 4, 1974

The Rock 'n Roll of the fifties was the theme, complete with hoop skirts and greased-backed hair. "Nothing but a hound dog ..."

RING DAY PROGRAM-FEBRUARY 3, 1975

\$387?! RIGHT!! The price is right! With a lot of laughs and fun, the freshman class gave their big sisters a show they won't ever forget. Aren't you a bit chilly, Cindy?

SOPHOMORE YEAR

Our Christmas Play-December 23, 1975

Charlie Brown seeks advice from Lucy. As always, Chuck leaves more frustrated than when he came.

Arbor Day-April 29, 1976

The "Spirit of '76" was clearly visible with red, white, and blue everywhere. Two cherry trees were planted; one to commemorate each 100 years of our independence.

Junior Year

Adoption Day-October 22, 1976

A food addict's dream; life-size candy bars, cookies, and ice cream cones. Add some slightly crazy Juniors and their little sisters and you get FRIENDSHIP.

Ring Day-March 12, 1977

Blue and cream were the colors of the hour with the Juniors dressed accordingly. With white tea roses in hand, they sang their class song "Yesterday Once More."

Our Junior Prom-April 30, 1977

Good food, good music, and good friends made the night a great success. Is Ann on the dance floor again?!!

Field Day-May 27, 1977

The afternoon consisted of eating food, playing games, and eating more food. The obstacle course provided the biggest challenge of the day.

Senior Year

Mother-Daughter Tea-October 16, 1977

The auditorium was filled with talking, laughter, and lots of mothers with their daughters. All in all, a fun time.

Thanksgiving Celebration-November 23, 1977

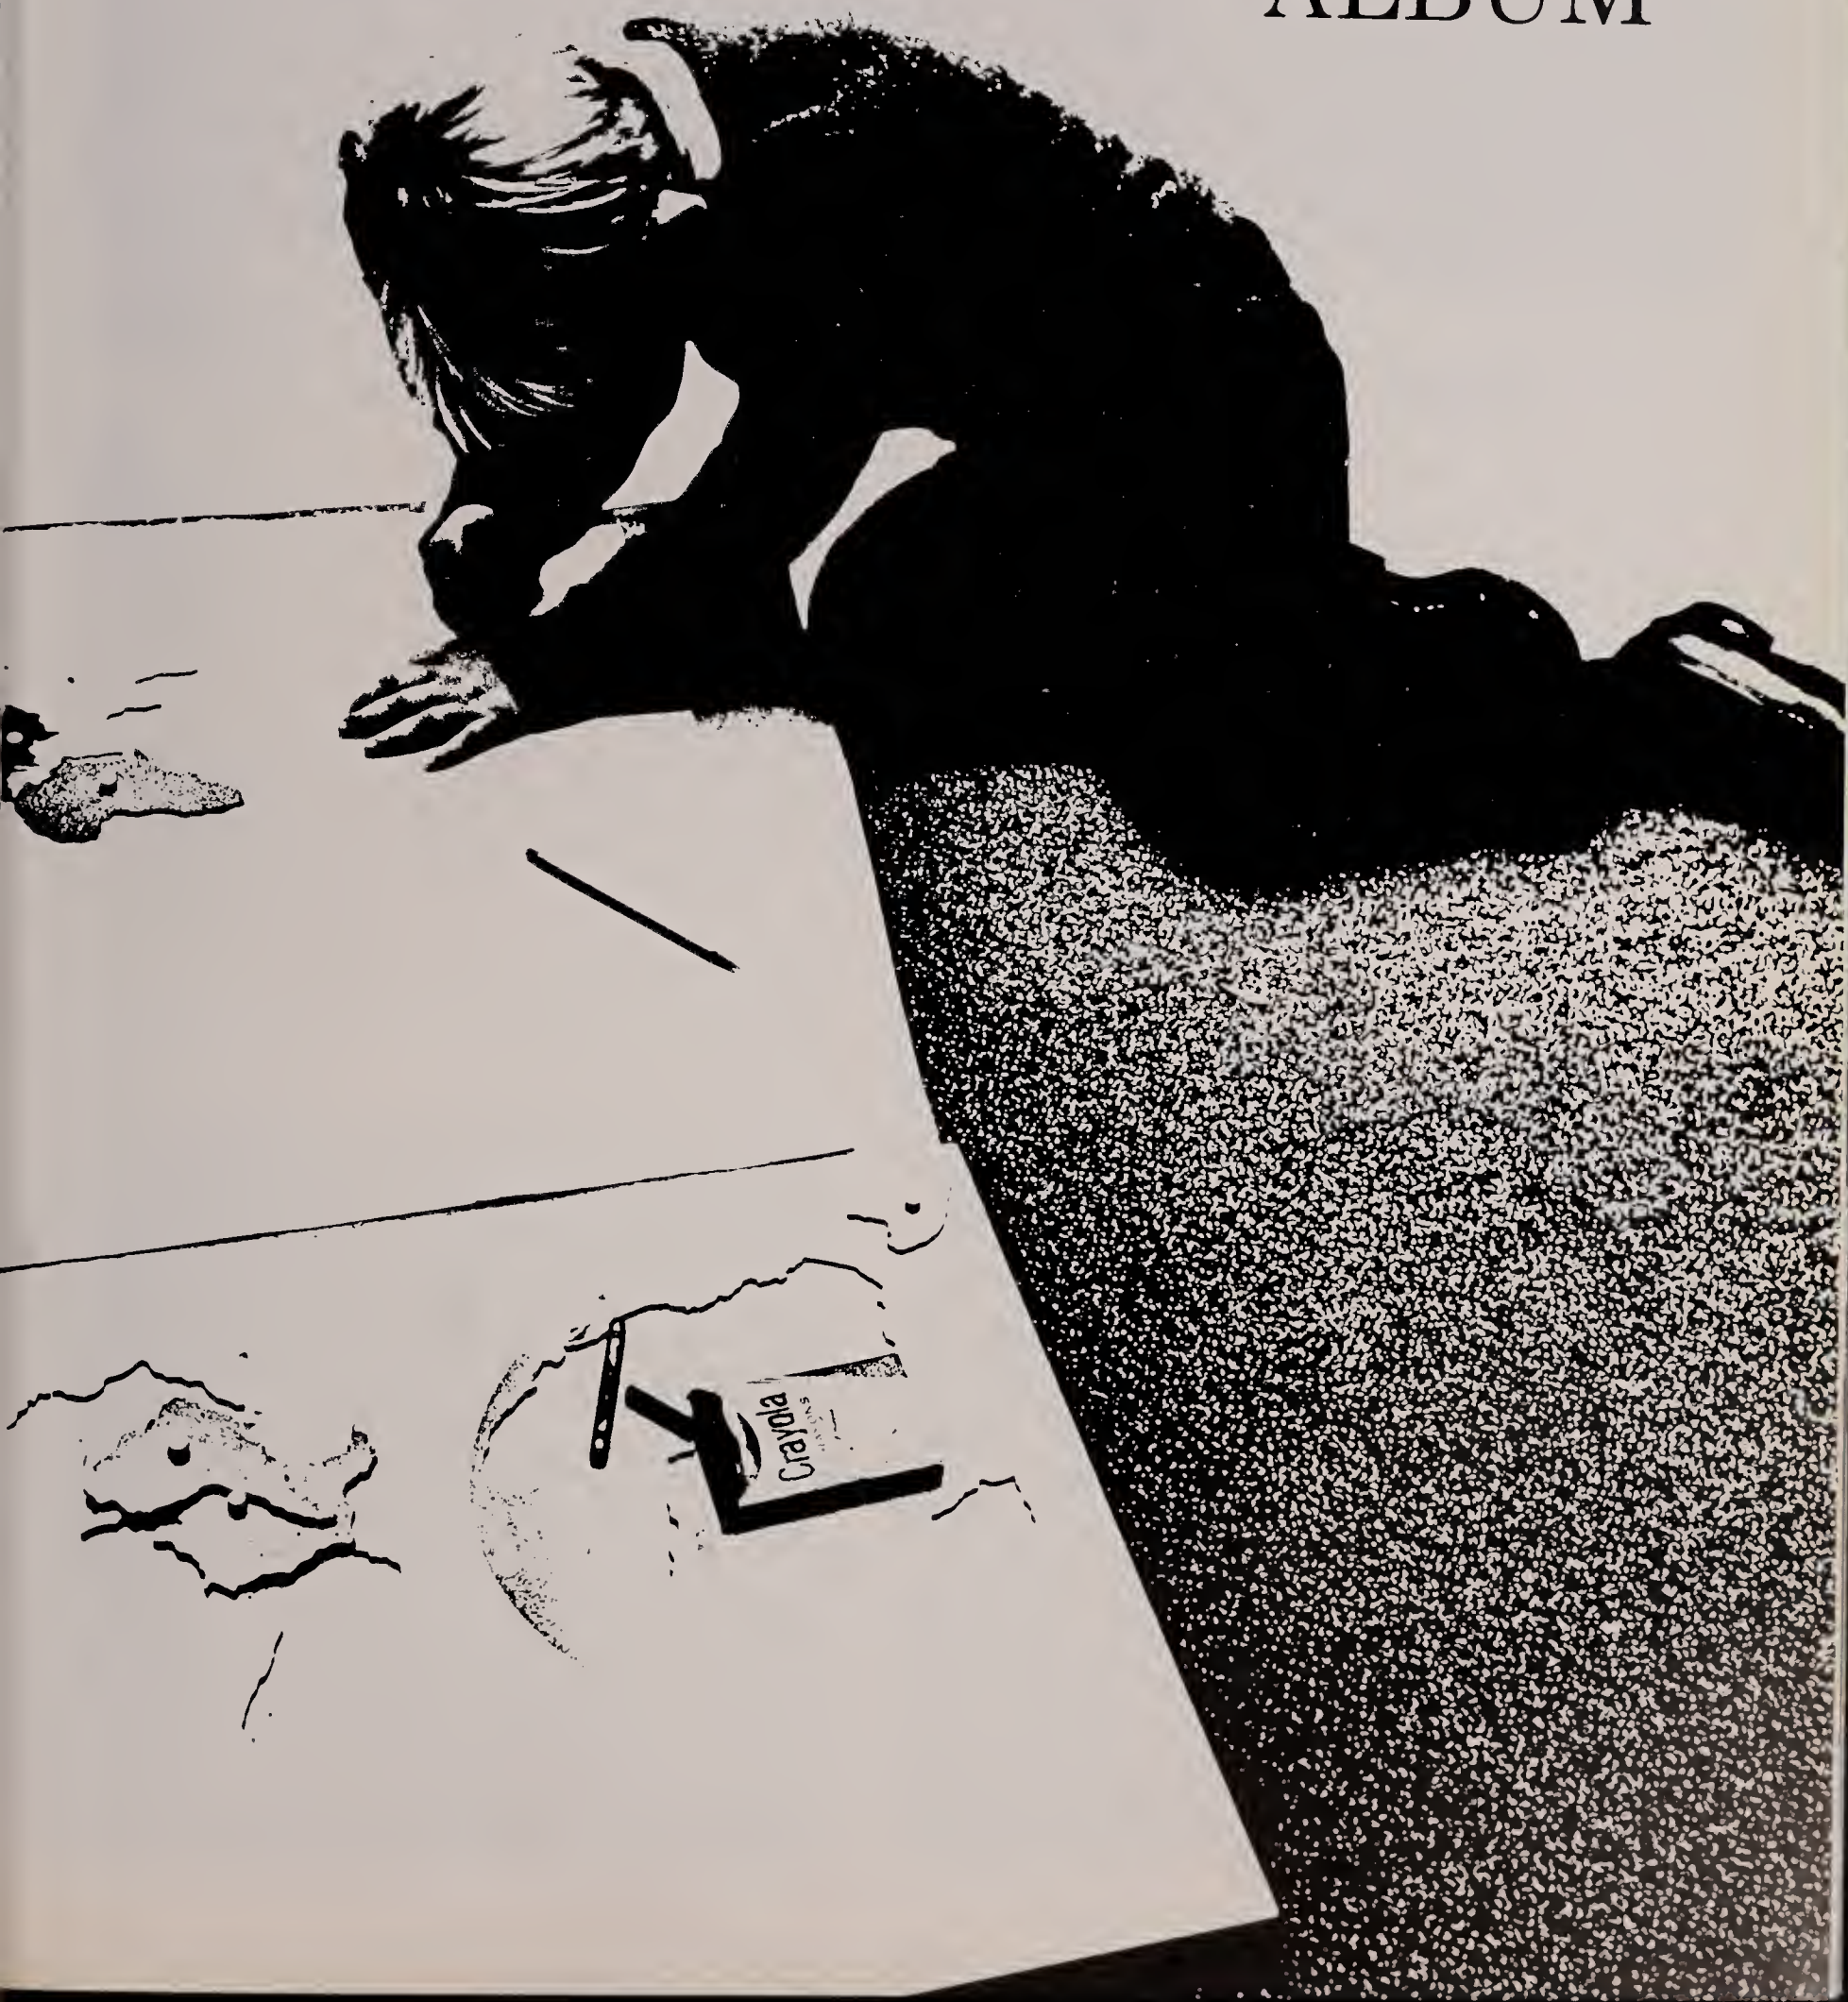

After watching "Where Angels Go, Trouble Follows", apple cider and doughnuts were served to some very hungry underclassmen.

Valentine's Day Bingo-February 14, 1978

Love was the theme and the Seniors reflected it by working hard and cooperating with each other fully. The extra effort paid off; the proceeds finished paying for their yearbook.
